Roland Dupree — agile feet and a quick mind

Dancing star Hollywood choreographer Roland Dupree, is one of the best and happiest things for anyone in any age.

Don'ts for auditioners . . .

. . . and a few do's

Sorry as most of 55 Dupree does a session for schooling students at U. workshop.

Students from university of the Dupree passes along advice from a half-century of dancing down in Hollywood, Vegas.

Where's my night light?
